

OUR KNOWLEDGE OF THE MARKET, A CLEAR ADVANTAGE FOR YOUR BUSINESS

Strategically located in Barcelona (Spain), ALIZERICA started its activity in 2001 as an import/export food company. With a solid structure, ALIZERICA is a dynamic company, whose mission is to give added value to production, while at the same time satisfying our clients and suppliers.

Our long trajectory and the incorporation of professionals specializing in International Trade strengthen our relationships with the countries we do business with. Our experience as well as our knowledge of customs, language and culture, enable us to adjust the products to their specific markets.

The bond created with our producers and collaborators allows us to work in an atmosphere of complete trust. We guarantee the quality required from our producers, while complying with the law and current legislation.

Your satisfaction is our watchword.

OUR COMPANY

EXCELLENCE, OUR COMMITMENT

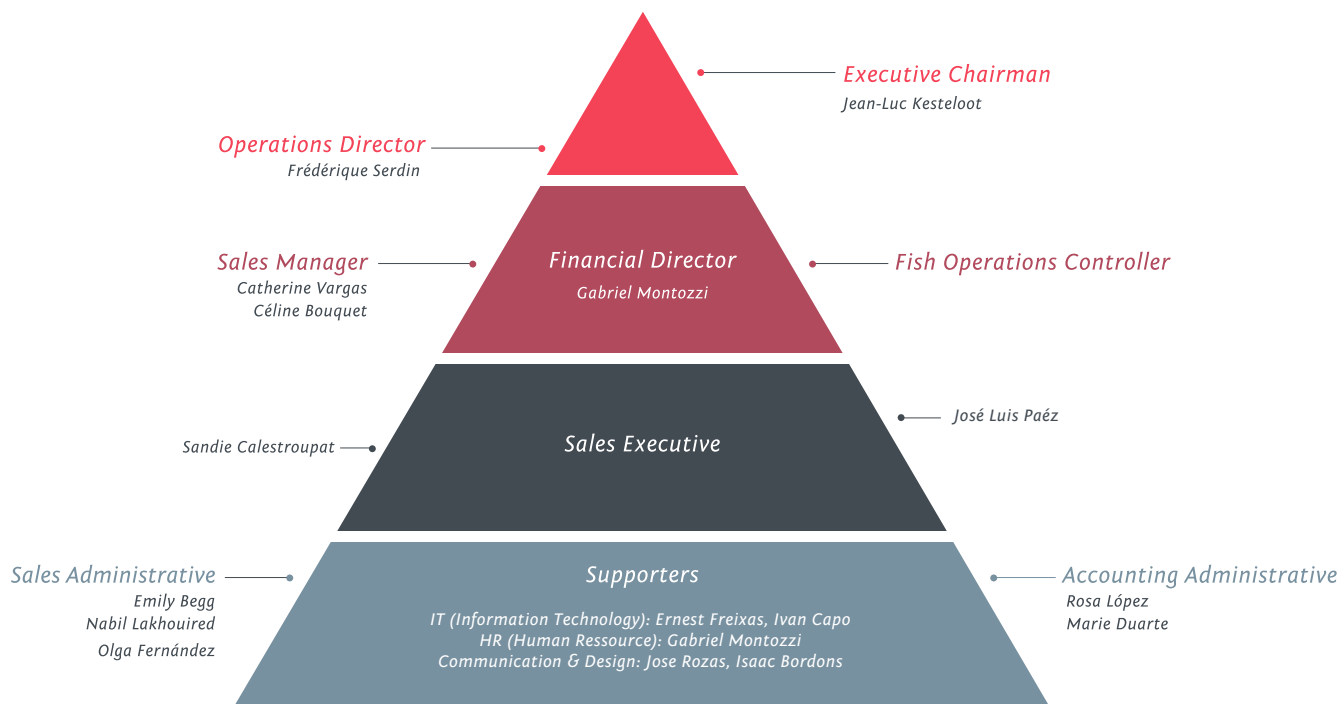

With 20 years of consolidated experience in the import/export of the agro food products sector, ALIZERICA is considered to be a dynamic company that responds to our clients' needs, offering high-quality, professional commitment in all our procedures, from the careful selection of goods and raw materials to their preservation and transportation.

Our business ethic and ALIZERICA's success consist of establishing and rewarding a long term relationship based on mutual trust and respect towards every culture.

We operate in all 5 continents, collaborating with local producers with whom we share experience and knowledge, which is a direct guarantee of the quality of our products.

Our main objective is the complete satisfaction of our clients.

TEAM

People are a key element to reach our growth, efficiency and productivity objectives.

Meat and Manufactured products

ALIZERICA carefully selects countries of origin and suppliers to certify the quality and sanitary process. To meet the requirements of current regulations, we frequently inspect production plants.

ALIZERICA supplies meat factories as well as wholesalers respecting each country's eating habits.
